Yankees Defeat Braves in PTA Sponsored Game

The P.T.A. Yankees beat the P.T.A. Braves, and the score, as well as the scorekeeper could figure it, was 25-15 in the seven inning benefit game played Friday night in Hughes Park.

Proceeds from the game, totalled $66.22 according to PTA finance chairman Mrs. M. M. Miller.

Candy Coody, who played center field for the Braves and was a near-star of the evening, was near-sightedly left out of that team's line-up, by the Star's reporter in last week's Star.

Through no fault of the unsuspecting PTA ladies, the Braves' pitcher, who had on a dress, a face-covering bonnet, red fingernail polish, and seemed ladylike, turned out to be Estes Welch.

Injuries sustained during the evening were a bruised and swollen right hand belonging to Cracker Graham and a cut under the left eye of Jimmy Neal. Neither injury was serious.

Joel Sample called the game; Jack Sweeny umpired. Guy Cammack was base umpire.

A coming attraction for the near future, the Powder Puffs Vs. the Big Bluffs will feature players from the Service Club against a select few PTA members who could be described as bonafide ball players. This automatically eliminates Vitamins Bertrand, who never could convince her four year old son that she could handle third base alone, and Eddietur Smith, who threw her hands over her head, and ran wildly off the field when a high fly came at her.

Delegates elected to the state convention were Mr. and Mrs. J. H. Minton of Hemphill John C. Lindsey, Sr. of Pineland, Ira J. Berryman of Milam and Willard McLane of Hemphill. These delegates go instructed to vote as a unit on all questions. State Convention will be held in San Antonio on September 9 beginning at 10 a.m.

Out of 59 delegates entitled to places in the convention, 23 were present and 15 were represented by proxy, representing 14 out of the 18 precincts in the county.

Pineland FFA Boy Will Take Pineland Anytime

Item clipped from Alamo Almanac, a column in a San Antonio paper, by Mrs. Bertis Morris, and sent to Mrs. B. A. Reid of Jasper:

SMALL-TOWN BOY - Two teen aged boys here for the Future Farmers of America convention stood at a busy downtown intersection the other afternoon waiting for the traffic light to turn green.

One wore a badge listing his home town as Pineland (That's in Sabine County). It was the 5 o'clock rush hour and traffic was heavy.

One vehicle swept close to the curb, its tires squealing and the driver blaring his horn. The youngster watched the rushing vehicles, then turned to his companion and allowed: "I'll take Pineland ANYtime."

Market Report

Temple toilet seats sales have been down this week. We look for them to come back strong next week.

Don H. Burnley
Asst. General Sales Manager

SPIB 77 lumber sales were exceptionally good during the week of July 21 with the exception of the upper grades. Delivery on most mixed retail lumber yard orders is now three to four weeks after receipt of order.

SP Supreme Oak Flooring continues to move in volume. Our backlog of orders is not as great as it has been as we have purposefully reduced it. There is every indication that the price of No. 1 Common Oak flooring will increase within the next ten days.

Templetreat sales continue to be slow while prices remain very competitive. Even so, we received a few more orders than we were able to ship during the week of July 21. While we have reduced our backlog for Templetreat products, it is still substantial.

Hardwood orders for the week of July 21 were not as brisk as they had been in preceding weeks. Prices, however, remain firm and there is every reason to believe that both volume and prices will remain on a high level. Pineland shipping department was unable to ship all the orders they would have liked to during the week.

Ed Price
Asst. General Sales Manager

Orders for SPIB 77 Southern Yellow Pine lumber were very good during the week of July 28. While orders received exceeded both production and shipments, we still need to move a quanity of 1" C&Better.

SP Supreme Oak Flooring orders were very good and we were able to build up our backlog for Supreme Oak Flooring and at the same time were able to obtain an increase in price on No. 1 Common.

Templetreat sales continue to be spotty. Orders received were equal to our treating capacity.

The volume of hardwood orders for the southern hardwood region exceeded production and shipments. Prices tinue firm and there is every indication that there will be a modest advance in price on some items during the current week.

Ed Price
Asst. General Sales Manager

Ned Sanoland from Ft. Worth landed last Friday in his two passenger Cessna to spend the weekend with Joe Sample. The boys were roommates last year at Texas A & M.

Easley Reunion Held July 20

BY L. B. EASLEY

The Easley reunion is held each year, in Sabine County, on the third Sunday in July. This year it was held at the old home-place of Clemmontine Millington (Uncle Bud) Easley.

It is believed that the Easley family was first known in Southern Switzerland where they were Silk Merchants. From Switzerland to France the move was made sometime about the middle of the fifteenth century. After they came to France they were religously Huguenots. For some reason, not known, a title with the prefix "de" was awarded the family by some French King for some service done or some special act. It is told there was a coat-of-arms, but I have never seen it. The Easleys left France after the Massacre of St. Bartholomew on August 24, 1572. The Easleys fled to England to keep from being among the 50,000 Huguenots who were killed because they objected to the massacre.

So far as has been learned by close searching of Virginia Court Records, Robert Easley I was the first of the name and the only one of the name to come to Jamestown Colony. He came in 1680. He was granted land out of the allotment made to French Refugees. Robert Easley was born in England about 1655. He married Ann Parker, the great-granddaughter of William Parker, who was Lt. Governor of Jamestown in 1616.

The ancestors of the Sabine County Easleys (decendants of Robert) moved from Virginia to South Carolina; to Georgia; to Tennessee; to Mississippi; to Louisiana; to Jefferson County, Texas, in 1830 and to Sabine County in 1835.

Daniel Bush Easley I, who was born in Georgia in 1792, arrived with his family in Jefferson County, Texas, in 1830. He was granted a league of land (4428 acres) there by the Mexican government. By 1835, he and his family were living in Sabine County, where he was granted 177.1 acres (a labor) of land some place on Bear Creek, on the Dan Easley survey.

Daniel Bush Easley's son, James Hornbeck Easley, who was born in Tennesee in 1817, reared a large family in Sabine County.

Clemmontine Watterson (Uncle Clem) was living with his uncle Daniel Bush when the 1850 census of Sabine County was taken.

Those attending the Easley reunion this year were:

R. Dewey Easley, Sr. and Decia Latham Easley of Hemphill and Carlin McDaniel of Austin; J. B. Alford and Verdie Easley Alford; Jodie D. Easley and Mae Rice Easley; Thomas, Dianne, and Martha Nell Easley; Mont, Verdell and Mattie B. Easley; Pauline Easley Kelly, Lynda Kelly, Terry Gail Kelly and Bobby Butler: Mary Virginia, Bruce, and and Jackie Terrell; Faye Pratt, W. P. Beckom and Travis Whittlesey; A. L. Frank Carpenter Expresses Thanks

In the primary election on July 26th the fine people of Sabine County gave me an exeellent vote of confidence and I will be in the run-off for the office of State Senator. I want to express to all of you my deep appreciation of this wonderful support, especially in view of the fact that I was relatively unknown in Sabine County when the campaign began. It proves that a man with proper qualifications for filling public office and a proven record of accomplishment and fair dealings with the public will appeal to the people who vote for the best interest of the district and state.

I do not take the result of the primary as a personal tribute to me or my family, but as a vote for fair and responsible government, and I promise that, when I am elected your State Senator, I will do everything in my power in the future, as I have always done in the past, to merit your confidence in me. I will be ever mindful that I represent ALL of the people of this district and not any one group or groups of the people.

I want to especially ask all who supported me in the first primary to return to the polls, with a friend, for the second primary and finish the job.

Sincerely yours,
Frank Carpenter

SPOKEN WORDS HAVE A WAY OF BECOMING DISTORTED

If you've ever tried to track down a rumor, or unscramble a piece of gossip, you know how elusive is the spoken word! Or maybe you've noticed that you can't quite recall that funny quip by your favorite radio or TV comedian, yet you have no trouble quoting a joke you've read. It's a natural thing with all of us. That's why newspaper advertising gets such good results. It's there to read — in black and white (color too if you want it) and to refer back to, at your leisure.

To be sure your advertising message is remembered . . . . correctly . . . . PUT IT IN PRINT IN YOUR HOMETOWN NEWSPAPER!

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields, biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.
