A crew cutting concret
At Kusa Okla The big
Mans name is Paterson
I was with him the
nite he died with flee
in 1918 I dont know
the others now, I am
the one with the pail
John Dindy otherX

A Pitcure of Kusa and of A block of smelter
We are working on center wall. The wooden
Building is A smelter blk, There was 8 are 10
Blocks built, after World wor I was over thy
was all taken down, A brick plant was put in
It is gone now and the town is all gone,
I was contracting there when I was married
I oned my first home there, Harvey Clyde
And Marry Ellen was borned there, 1916
to 1920.

Sorry Dad! This Album Was Started Sep. 1, 1960
I was born 10-23-21

All three pictures of stone work I dont Remembe Labor's Name
Four pictures of stone work Above is a stone barn Dad and I built for A Inden close to Wagoner in 1916
