Gentlemen:-

ALL QUOTATIONS AND CONTRACTS ARE MADE SUBJECT TO THE SALES CODE AND INSPECTION RULES OF THE HARDWOOD MANUFACTURERS' INSTITUTE NOW IN EFFECT, COPY OF WHICH WILL BE FURNISHED UPON APPLICATION.

We are in receipt of your favor of the 2nd instant enclosing check for $25,000, being the purchase price of the Cressmont mill we sold you. We enclose bill of sale covering the mill, which we trust you will find in order.

We have wired the Insurance Company to endorse on our policy of insurance that you are the owner of the mill so you will be protected while the mill is at our place. We think they will do this by endorsement and if so, it will only be a nominal cost. We are maintaining watchman service as heretofore.

You are to have the free use of our log loader to load the machinery with the under standing that you are to assume all labor and cost to operate same, it to be operated at your risk and the machine is to be returned to us in as good repair and condition as when delivered to you.
